# Welcome

The wedding team congratulate you on your engagement and our very best wishes for the future!

We recognise that each wedding is different and has specific requirements. Whilst this guide details our main wedding packages, we are completely flexible and happy to discuss your bespoke requirements.

At the Adamton Country House Hotel, we are pleased to be able to offer you a lovely alternative to the formal church wedding or registry office ceremony, with a civil ceremony in one of our two suites. Consider taking

your vows and then continuing your celebrations under the same roof.

We have two suites available for when you sit down for your meal, first is Jenny's which can accommodate 50 (Max) guests for your meal in the day and an extra 50 guests for your evening celebration. Second is our Garden Suite which can cater for up to a maximum of 200 guests.

Ask your wedding co-ordinator for more details.

*Elegant surroundings make this the perfect location*
