### Clare's Cakes Southport

Clare's Cakes Southport' is a small local independent cake business with a reputation for cakes that not only look luscious but taste divine too! She has a 5\* hygiene rating and an exceptional set of reviews available to view. Clare offers a friendly customised service and will happily chat through your caking desires to meet the perfect outcome for your 'big day' cake! Not sure what style you like, how

many portions you need or which flavour you prefer? Clare can help you with all your questions and build the perfect wedding cake for you both. Her prices start from £85 for a one-tier, £190 for a two-tier and £290 for a three-tier (price dependent on decoration needs, flavours, sizing and special requests). She takes the stress out of the day by setting the cake up herself at the venue when required and can offer this as an additional free service if you are having your wedding at our hotel!

## KGriffiths photography

Kezia Griffiths Photography is a wedding photographer based out of Southport. With over 4 years' experience, she has travelled all over the UK to capture timeless images.

Kezia's style is relaxed and unobtrusive; she prefers candid pictures over staged photos, and her manner is light-hearted and fun. Kezia works with you to make your day flow and enjoyable, and she hopes that your wedding collection will bring you joy for many years to come.

With a one-wedding-per-day policy, Kezia Griffiths Photography offers undivided attention and an eye for detail. This also allows Kezia the option to stay on-site for additional hours if required. The wedding package from this business includes at least 500 expertly edited images, which will be shared through a convenient online gallery. This photographer is happy to travel to couples throughout the country, helping them to document the magic of their big day. Bespoke packages are also available on request.
