Loved by Our Guests

“I would like to express our gratitude for how well organised and how delicious the food was on Sunday. Me and my family absolutely enjoyed Sunday lunch with Santa, Kids had an amazing time at the disco and they were very impressed with their gifts.

I don't usually send emails and not easily impressed but this time everything was incredible and will definitely come back.”

“I just wanted to say a massive thank you for the party we had at your hotel on Friday! The food was amazing, and many of us have said it is by far the best quality of food we have received from any of the venues that we have been to for Christmas parties, it was delicious, and came to us hot, so we were very happy.

The venue, and the tables were decorated beautifully.

All in all, it was a brilliant price for the quality of the party, we have paid a lot more for a lot less in other establishments, and we would definitely be interested in coming in again next year, if you can keep me on your mailing list to know when you know the details for 2025!

Thank you again for everything, and patiently answering my incessant questions.”
