Welcome

The Grand Hotel, Scarborough provides the perfect place to hold your Wedding Ceremony & Reception with uninterrupted sea views. Located in the Town Centre we overlook the South Bay and Harbour. It has been said that architect, Cuthbert Brodrick designed the hotel around the theme of time, envisaging four towers for the seasons, twelve floors for the months, 52 chimneys for the weeks and 365 rooms for the days. Today one can still see the original design, which has hardly been changed.

From the moment you enquire, one of our dedicated Event Coordinators will be available to advise and help you with your special day. From the optimum room layout, packages and entertainment, to providing preferential accommodation rates.

Arriving at the hotel, our loading bay provides an easy drop off point for all forms of arrival, from traditional wedding cars to double decker buses. A red carpet will be waiting for your entrance into the hotel.
