

GOLF SOCIETY DAYS

WELCOME TO THE MEON VALLEY GOLF COURSE

Meon Valley Hotel, Golf and Country Club is Hampshire's only European PGA Tour destination. Our hotel showcases two championship golf courses, which is ideal for those seeking a world-class golf experience. Featuring a total of 27 holes of challenging play, our courses are located amongst a stunning oak forest; enjoy tree-lined bunkers, beautiful fairways and more.

Between rounds, why not indulge in our luxurious spa or enjoy some delicious food in our restaurant.

Championship Meon Course

Our premier golf course has twice hosted the Phillips PFA golf classic. This course has 18 holes and passes through an oak forest, tree-lined fairways, large bunkers and natural water hazards.

Valley Course

Offering wider fairways than the Meon Course, our Valley Course is slightly less challenging but has its own charm. The course is built around the ruins of an ancient Roman village and the 9-hole course can be played as one 18-hole course at 5,758 yards.

Driving Range

We have an 11-bay Toptracer driving range available for use at an additional cost. Tokens can be purchased from the Pro-shop.

Practice Facilities

There is a practice hole which is designed for chipping and pitching before your round which also includes a full size bunker for practice. There are also two full size putting greens to practice your skills on.
