

The Royal Hotel SCARBOROUGH

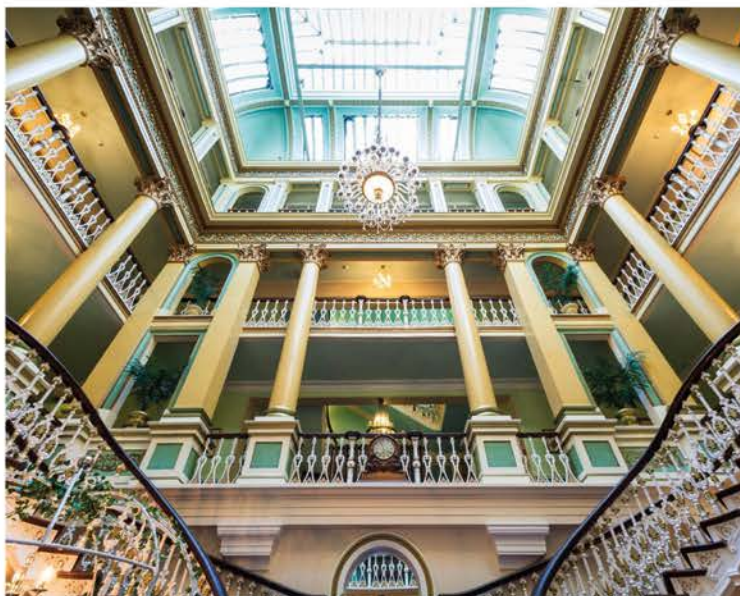

Every love story is beautiful, but yours should be unique

Unique *setting*

The Royal Hotel is a stunning hotel situated in the heart of Scarborough standing proud over the South Bay. With its famous sweeping staircase, beautiful Royal Ballroom and stunning Prince Regent suite, not only does this hotel provide you with the most perfect rooms for your big day it also provides you with some elegant backdrops for your wedding photos.

The Hotel dates back to the 1830's and its grand imposing architecture, including our famous staircase and atrium, but still bears all the hallmarks of the Regency period. Many of the rooms have been refurbished, however they still retain all their original ornamentation and historic spirit, which mirror a time of class and style - certainly old charm at its best.
