PLANNING YOUR DAY

Organising a wedding can be a daunting task. We will be only too pleased to assist you with any aspect of your wedding day, from seating plans and menus, to recommending cars, cakes, photographers and flowers.

With many years of experience behind us, we are able to offer you a highly personalised service which will help you to explore all possible options. On the day of your wedding, a senior member of our team will personally co-ordinate the day's events, so that you are able to relax and enjoy your wedding day.

Why not visit and let us help you with any queries you may have, we can even arrange to show you an appropriate room already set up for a wedding. Once you have been to see us, we will send you home feeling confident that your wedding is in capable hands.

YOUR CIVIL CEREMONY

We are delighted to inform you that we are licensed to host civil wedding ceremonies. This brings obvious benefits as you can plan your entire day from the ceremony to the reception, all within our unique setting. Our Russell Room can fit up to 80 guests and is available to hire for £250.

To organise your civil wedding ceremony firstly establish a firm date and provisional time with the hotel and the registrar. We are linked with Brighton & Hove Register Office – Tel No. 01273 292016. Provisional bookings can be made with the registrar up to twelve months in advance, although confirmation must be made three months prior to the date. You will require two registrars to attend the ceremony and they will explain their charges.

Please ask your local registry office for their leaflet on civil marriages, this contains additional information such as the documents you may need to have with you on your wedding day.
