A little bit more about us ...

The Royal Hotel is a stunning hotel situated in the heart of Scarborough stood proud overlooking the South Bay. With its famous sweeping staircase to the beautiful Prince Regent room not only does this hotel provide you with the perfect rooms and space for your big day but also provides you with the most stunning and elegant wedding photo backdrops. Take to the sweeping staircase like the Ted Baker fashion models for your wedding photo's or head to the terrace and have the stunning South Bay Coastal view as your wedding photo background.

The Royal Hotel dates back to the 1830 and its grand imposing architecture, including The Royal's famous staircase and atrium, still bear all the hallmarks of the Regency Period.

Many of the rooms have been refurbished, however retain all their archaic ornamentation and historic spirit, which mirror a time of class and style - certainly old charm at its best.

This Scarborough hotel has attracted many famous guests over the years including Winston Churchill, who remarked "The Royal is my favourite hotel", as well as Edith Sitwell and Robert Luff.
